

## The Few - veterans of the Battle of Britain

The names below are those currently on the Sir Christopher Foxley-Norris Wall at the National Memorial to the Few at Capel-le-Ferne.

The entry criteria to this exclusive club are very strict.

The men on this list are those who received the Battle of Britain Clasp to the 1939/45 Star for service in the air under the control of Fighter Command between 10 July and 31 October 1940. No-one else can join, however distinguished their contribution to the war effort may have been.
